## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

North Myrtle Beach Middle School's students and staff achieved a number of noteworthy accomplishments during the 2010-11 school year.

Fifty-one students were designated as a scholar by one or more sets of testing. Seven of our seventh grade students were designated as Duke Tip Scholars based on their performance on the SAT or the ACT, and thirty-eight of our eighth grade students qualified as South Carolina Junior Scholars based on their performance on the PSAT. Twenty-seven of our eighth graders qualified as Explore Scholars based on Explore testing and one eighth grade student qualified as a John Hopkins Scholar. One hundred forty-nine of our 7th and 8th grade students were inducted into Junior Beta Club based on their academic achievement.

Our students also excelled in the fine arts area. Nine students were selected to perform in All County Chorus, fourteen students were selected to perform in All County Orchestra, and ten students were selected to perform in All County Band. Additionally, three of our band students were chosen for All Regional band. One of our orchestra students was chosen for All Regional Orchestra and advanced to All State Orchestra.

The school continues to offer a strong academic program for all students. Qualifying students may enroll in the following high school credit classes: English I Honors, Algebra I Honors, and Geometry Honors. The results of state End of Course Testing for 2011 show that our students in English I and Algebra I had a 100% pass rate.

The school continues to implement a school-wide focus on literacy across the curriculum. We have implemented intensive language arts classes and strategic reading classes to assist students with identified needs in literacy. Our staff has spent time this year learning about literacy interventions, teaching strategically, and engaging students through talking, writing, investigating, reading, and listening.

We continued our transition program for our eighth grade students who entered high school this year. Our guidance department completed personal meetings with each of our eighth grade students and their parents to develop an individualized graduation plan (IGP), and our high school hosted two transition nights in May for our 8th grade students and their parents.

North Myrtle Beach Middle School received an "All Clear" accreditation status from the State Department of Education for the year and continues to be accredited through the Southern Association of Schools and Colleges.

We are proud of the accomplishments of our students, and we continue our "Quest for the Best" for all of our students at North Myrtle Beach Middle School.

Virginia W. Horton, Principal  
Cindy Thompson, School Improvement Council Chair
